Supplementary Questions.

Mr. P. Murugesam Pillai.—

With reference to my question sub-division (*a*), will the Government be pleased to state if Panchama students are finding any difficulty for study in the Government schools in the three districts?

Inspector-General of Education.—

We are not aware of any such difficulty.

Mr. P. Murugesam Pillai.—

In view of answer (*c*), may I know whether one school is enough for the four districts of Tumkur, Hassan, Kadur and Shimoga Districts?

Dewan.—

In Primary and Middle Schools, boys and girls study together. The number of Panchama girls under instruction does not justify the opening of separate schools for them.
